FAITH ALLIANCE AGAINST SLAVERY & TRAFFICKING

- ▶ An opportunity to grow in awareness and understanding of trafficking survivors
- ▶ Learn from presenters who bring valuable life experiences into their topics ([click here to view list of presenters](#))
- ▶ Explore the ways God may be calling you to partner with His redemptive work in the hearts of vulnerable women

 Fully virtual event: participants can gather world-wide. Ideal to gather a small group to process and learn together!

Although this event is hosted by Restore Training, it is not exclusively for Restore trainees. We welcome women that desire to grow in their knowledge and awareness. Due to the mature themes of the curriculum, participants must be 18+. Registration will be open on the website on or before September 1. Cost: \$75 per participant. Or \$35 daily rate. **Registration will be closed on October 9, 2024.**
